

COMPOSITION SCAVENGER HUNT!

You are on the same team as last time. You only have today to finish this. you may shoot in and around the school. You have the whole period to do this. Be sure to not be disruptive to others and stay on task as your out shooting, if not....thats a zero

the best team from each class will be rewarded with their choice of TOPO-CHICO, MEXICAN COKE, KLONDIKE BAR OR ICE CREAM SANDWICH.

The subject matter is your choice. Get creative! Each shot should be a *PICTURE!!!!* **NOT VIDEO.** This is a team shoot! Work together to take one picture to represent each concept. When done, put the camera back where it goes. Put this sheet in the cubby with your SD card laying on top of it. If you forgot what these composition techniques are, please revisit the lesson on the website. www.ahsmedia.org.
