Notes:

There are video tutorials on how to export and upload to Vimeo on the desktop folder called "how to". The JV show needs to be on Vimeo by 10pm the night before air. This is the first deadline. If you blow this, you will be deducted 10 points. If however you are waiting on the intro or the package then deadlines will be re-appropriated to 2 hours after receiving file. The next deadline is 6am the day of air. If you blow this you will be deducted 10 more points. The next deadline is 9:00 am day of air. If you blow this you will be deducted another 10 points.
