You are going to shoot a dialog scene. You will shoot the shots in this order, but you can come up with the dialog on your own. Write your dialog on this sheet where noted. You will choose your own teams of 5. You will need a tripod. When you are finished, collapse the tripod and put it away. Put the camera away and place the SD card on this sheet and turn it in to the cubby. **THIS SHEET IS YOUR HALL PASS**
